

## SADDLES IN STOCK

To better serve my clients, an inventory of custom quality and pleasure\trail saddles is maintained. These saddles are on display at dealers in Colorado. The custom models have been built with the same high-quality materials and craftsmanship as a client's order. Several have won awards or have been exhibited at national cowboy art shows. If you do not want to wait for a saddle to be built, this is an opportunity for you to immediately experience the pride and pleasure of owning a Sherer saddle.
